As a coating provider of parts for critical businesses including aerospace, medical, defense, food processing, and other industries vital to this country’s infrastructure, Surface Solutions is providing a service as a function of an essential business as defined by the U.S. Department of Homeland Security Cybersecurity & Infrastructure Security Agency (CISA). Surface Solutions Inc. is exempt from the “stay at home” order because we are deemed as an essential component to the supply chain. Governments at all levels recognize the vital role manufacturing plays to continue to supply critical businesses in this time of need.

Surface Solutions is open for business and will remain open for business. Our customers can continue to receive the same great service they’ve come to expect from us.

We are taking extra precautions and following CDC workplace guidelines to minimize the spread of COVID-19. We are actively encouraging sick employees to stay home, practice social distancing, and cleaning procedures.

We are committed to maintaining a safe environment and wish that you and your loved ones remain healthy and safe. We will continue to monitor the situation in these uncertain times and keep you apprised of any changes that may affect our ability to serve you.

Thank you for your continued business and support.

Be Safe Everyone!
